

### Sideline Etiquette

- Show appreciation for volunteer coaches, officials and administrators - without them your child could not participate
- **Let the Coach, do the coaching. It is important to let the children listen to the coach, and follow their guidance , it can be confusing for children to have multiple people tell them what to do whilst the game is in play**
- Respect officials' decisions and teach children to do likewise.
- Support all efforts to remove verbal and physical abuse from sporting activities.
- Remember that children learn best from examples - applaud good play by all teams.
- Never ridicule or yell at a child for making a mistake or losing a game.
- Encourage children to play according to the rules.
- Focus on the child's efforts and performance rather than on winning or losing.
- **Encourage** children to participate - do not force them.
- **Remember** that children play sport for their own enjoyment, not yours.

### OUTSTANDING FEES

We still have some players with outstanding fees, either as a component of registration, fund-raising levy or uniform.

See Domini, for fee payment or a payment plan.

**Reminder as per member booklets;**

**If fees are not paid per payment agreement, the player is unable to take the court, until payment plan is brought upto date**

### PLEASE REMEMBER:

- **THESE ARE KIDS**
- **THIS IS THEIR GAME**
- **COACHES ARE VOLUNTEERS**
- **UMPIRES ARE HUMAN**
- **LEAD BY EXAMPLE**
- **HAVE FUN**

**KEEP  
CALM  
AND  
LET THE KIDS  
PLAY**

No smoking within  
UPNA grounds

Smoking is permitted in car park, or on the other side of the fence along the dog park side.

## Training Etiquette

All players are expected to attend all training sessions.

Our club takes training very seriously.

**It is your coach's only opportunity to teach you the skills, techniques and drills to help you and your team in your game.**

**As such, it is our club policy that players who do not attend training cannot expect to play a full game on the following match day.**

It is important to be on time and ready for the training session, the coach doesn't want to waste time, waiting for players to get organized, so please come prepared, towel, water, and any thing else you may need at training.

Please advise your coach if you are going to be late to training and late being picked up.
